Performance Initiatives Undertaken

The Unit continues to conduct an unpaid internship program designed to assist members of the community to acquire skills needed for employment in radio and television broadcasting. The available internships involve students who are registered at a university, college, community college or vocational-technical institute on a full-time basis. Interns become involved in a structured learning environment for school credit that includes approximately 20 hours of training per week.

The Unit participated in a job shadow program with local area middle and high schools promoting employment opportunities in television broadcasting. The job shadow program allows the students to shadow various work stations in the television news room for a one-day period.

The Unit participated with the Utah Office of Education in providing a two-week internship opportunity for an Alta High School Teacher who is involved in teaching Journalism.

The Unit awarded scholarships to ten communications students who demonstrated high academic performance, were dedicated to their communications studies, contributed to their school's communications program, and participated in university or community based activities that resulted in personal growth and enrichment. The recipients of these scholarships were interviewed and selected by a panel of judges from the Unit's management and news staff.

The Unit's management and personnel participated in many educational engagements to inform and educate students as to employment opportunities in the broadcasting industry.

The Unit continued a paid Sales Training Program designed to assist members of the community to acquire skills needed for employment in the sales area in radio and television broadcasting. Those participating in the Program are placed in a structured training environment that includes approximately 40 hours per week for up to a one-year period.

The Unit HR and management participated in various University, High School and Association Career Fairs educating and encouraging participants to consider careers in broadcasting/communications.

The Unit's management and personnel participated in The 2nd Annual Utah Hispanic Marketing Conference January 11, 2007. This conference educated participants and promoted various career opportunities for Hispanics including communications/ broadcasting.

The Unit HR and management sponsored a Career Fair Thursday, March 1, 2007, educating and encouraging participants to consider careers in broadcasting/communications.

The Unit HR and management, together with Utah Broadcaster's Association, co-sponsored a Career Fair March 14, 2007, educating and encouraging participants to consider careers in broadcasting/communications.

The Unit HR and management hosted BYU Provo and Idaho broadcasting/journalism students at Unit's facility, educating and encouraging participants to consider careers in broadcasting/communications.

The Unit HR and management provided 6 Mentorships for the Disability Support Center for Families' National Disability Mentor Day, October 18, 2006 educating and encouraging mentees regarding opportunities for careers in broadcasting/communications.
